Scalping,

Crystal River is one the premier areas for recreational scalloping. Search the sea grass beds of the shallow Gulf for the tasty morsels. It's an underwater game of hide and seek. You will use your masks, fins and snorkels to "hunt" the scallops, pick them up and place them in your bag(Sounds easy enough). Remember they swim up or backwards when they sense danger (you). All you do is float around, looking in the grass beds for the scallop shape or their "blue eyes". Hold your breathe, take a dive and grab them. Scalloping combines a day on the water with family and friends while enjoying nature – AND bringing home dinner. What a way to spend a summer day. Your required Saltwater license is included. Limits are...Per Person: 1 pint scallop meat or 2 gallons in the shell OR Per Boat: 1/2 gallon meat or 10 gallons in the shell. We will Scallop hunt one day Aug 5th
