Sunscape Curaçao Resort, Spa & Casino is about Unlimited-Fun™ for the kid in everyone, where all-inclusive is redefined and where wristbands are never required. This beachfront resort, located outside the Caribbean's hurricane zone, is just 10 miles from Hato International Airport and just 2 miles from the diverse capital city and UNESCO World Heritage site of Willemstad with excellent shopping and site-seeing. Your Sunscape Curaçao getaway features spacious, welcoming, recently renovated guest rooms with picturesque views of the Caribbean Sea. With four à la carte restaurants, a buffet and a café, you'll enjoy grilled seafood, Mexican, Italian, and Asian cuisine with select areas providing food and snacks 24 hours a day — all included in your Sunscape Curaçao package. You'll also find healthy meal options — and reservations are never required. Sunscape Curaçao has seven bars and lounges serving international and domestic brand beverages, soft drinks and natural fruit juices.

Whether you're cooling off in the pool, enjoying a meal or visiting our lobby, you're never far from your favorite cocktails served without limit or expected gratuities.

We will be diving the world-renowned diving and snorkeling of Curaçao with Ocean Encounters. Ocean Encounters is Curacao's premier 5 star dive resort. We will be doing 5 days of 2 tank boat dives at the best sites around Curacao. Not enough diving you say, well unlimited shore diving on the house reef is also included in the package.
